Bruin Point Mine M0070040

Dear Mr. Baza,

Our father and our aunt's Trustee, Karl J. Ohland, wrote you June 10, 2014 in regard to our property indicated below:

An undivided 10% interest in the following described land:  
SUNNYSIDE No. 7, Being the SW 1/4 of Section 3,  
Township 14 South Range 14 East, SLB&M.  
Also, SUNNYSIDE No. 4, Being the NW 1/4;  
SUNNYSIDE No. 5, Being the NE 1/4; and  
SUNNYSIDE No. 6, Being the SE 1/4,  
all in Section 10, Township 14 South Range 14 East, SLB&M.

The deed has been recorded as follows:

6.4 Specific Distribution of Interest in Utah Property to Amber Kirstin Ohland, Kari Alicia Ohland, Richard K. Ohland and Raymond J. Ohland. The Trustee shall distribute an undivided ten per cent (10%) ownership of any interest I own individually or in trust in the following described real property and improvements located in the County of Carbon, State of Utah to my great nieces and nephews, Amber Kirstin Ohland and Kari Alicia Ohland, Richard K. Ohland and Raymond J. Ohland, in equal shares, per capita.

We understood American Sands was planning on using our 10% portion of our property and other surrounding property for mineral sales, "without" approval from us or any compensation..

We have not received any plans or paperwork from American Sands Energy Corp or any other company who might be planning on using our 10% of this land for any use.

We read your "Director's message". We believe you will try to do everything you can to make certain the true landowners are protected.
